

The Journal *Bajo Palabra* diffuses the authors' research results mainly through the Institutional Repository of Humanities Library at the Autonomous University of Madrid, as well as through different databases, catalogues, institutional repositories, specialized blogs, and so on. The task of spreading *Bajo Palabra. Revista de Filosofía*'s scientific contents, is thus being successfully accomplished.

It has a **good ranking in several quality editorial indexes of Spanish speaking countries:**

- LATINDEX
DICE. Diffusion and Editorial Quality of Spanish Journals of the Humanities and of Social and Legal Sciences
- BDDOC CSIC: Journals of Social Sciences and Humanities
- DIALNET, Web portal for the diffusion of Spanish scientific production
- CECIES. Journals of Latin-American Thought and Studies

It is **freely accessible** through:

- INSTITUTIONAL REPOSITORY OF THE UAM. UAM BIBLOS-E ARCHIVE
- UNIVERSIA LIBRARY
- REBIUN. NETWORK OF UNIVERSITY LIBRARIES
- VIRTUAL LIBRARY OF BIOETCHNOLOGY FOR THE AMERICAS
- AL-DIA. SPECIALIZED JOURNALS

It has been **quoted in multiple blogs and Web sites:**

- CANAL BIBLOS: Blog of the Library and archive of the UAM
- RedJIF. NETWORK OF YOUNG RESEARCHERS IN PHILOSOPHY
- Newsletter of the UNITY OF SCIENTIFIC CULTURE OF THE UAM
- LA CRIÉE: PÉRIODIQUES EN LIGNE
- TENDENCIAS 21
- HISPANA. Directory and collector of digital resources
- FACTÓTUM. JOURNAL OF PHILOSOPHY
- MATERIALS NOTEBOOK. PHILOSOPHY AND HUMAN SCIENCES
- ESSENTIAL PHILOSOPHICAL LIBRARY

And thanks to the excellent **service of journals exchange** provided by the **Humanities Library of the Autonomous University of Madrid**, it is possible to consult *Bajo Palabra*'s in several libraries, and the journal is currently conducting an exchange with more than 20 different humanities journals.
